Our Stewardship Policy

Spending of funds is confined to board approved projects and purchases. Each gift designated toward an approved program will be used as designated with the understanding that when a given need has been met, designated gifts will be used where most needed. Gifts from individual donors of \$10 or more are acknowledged and receipted with an official receipt for income tax purposes.

The Voice of the Martyrs believes in strict financial integrity and accountability. We, therefore, take extraordinary measures to insure that the trust shown to us by our donors is well deserved. To this end, we continually submit to the high financial accountability standards of organizations such as the Canadian Council of Christian Charities. It is our practice to abstain from raising or appealing for funds through direct solicitation methods (e.g. fund-raising letters). We will, likewise, never release our mailing list to any other organization for such purposes. A financial statement is available upon request.

The Voice of the Martyrs

*Pre-authorized Debit
Support Plan*

*... as bound with them; them
that are ill-treated, as being
yourselves also in the body.*

What is a Pre-authorized Debit (PAD) Support Plan?

The Pre-authorized Debit (PAD) Support Plan is a safe and convenient method for busy people to regularly support the work of serving the Persecuted Church through the ministry of The Voice of the Martyrs. Through the Pre-authorized Debit Support Plan, you can automatically send pre-approved donations that can be designated to projects that you want to support. By participating in the Pre-authorized Payment Plan you will:

- 1) **SAVE TIME** since you no longer have to remember to write a cheque and mail in your donation. Instead the gift is deducted directly from your bank account or credit card on the first day of each month or on the months you specify.
- 2) **SAVE MONEY** by not having to pay for postage. You also help The Voice of the Martyrs save money in postage and processing costs, thereby assuring that more of your gift goes directly to assisting persecuted Christians around the world.
- 3) **GIVE WITH CONFIDENCE**. You will know that your gift has arrived safely regardless of postal disruptions or mishandling. You will also know exactly how much you have given each month and for what project(s).

You Can Get Involved in Five Easy Steps:

- STEP 1.** Decide on the amount that you would like to donate and to what projects.
- STEP 2.** Decide which giving option you would like to use: chequing account or credit card.
- STEP 3.** Fill out the attached authorization payment form.
- STEP 4.** If using the chequing account option, enclose a blank cheque from your account, marked "VOID" to verify your banking information.
- STEP 5.** Mail this completed form along with your VOID cheque (if chequing option is chosen) to The Voice of the Martyrs.

PROJECTS

The Voice of the Martyrs has set up several distinct funds to which you can especially designate your pre-authorized gifts to, thereby helping to fund specific kinds of ministry to persecuted Christians around the world that are in line with our purposes as a mission. Your pre-authorized gifts to these funds provide the means by which we can be your representatives in effectively serving the Persecuted Church.

The Underground Church Fund helps provide assistance and encouragement to believers in severely restricted areas such as much of the Muslim world and North Korea.

The Families of Martyrs Fund supplies the means by which VOM can provide encouragement and assistance to families left destitute by the imprisonment, death or exile of a father and/or mother because of their faith.

The Relief and Development Fund helps provide relief aid to needy, persecuted Christian families, job training, refugee assistance, and other practical means of meaningful help and encouragement.

The Equipping the Saints Fund helps meet the educational needs facing today's Persecuted Church in countries facing potential persecution by providing pastoral training, Bibles, Christian literature, and other similar projects.

The Raising a Voice Fund is especially designated to assisting The Voice of the Martyrs with the expensive task of communicating the needs of today's Persecuted Church to the free world through the use of electronic media such as the Internet, video, radio and television.

The Legal Defense Fund helps provide for the legal costs of Christians arrested for their faith. Such costs are often far beyond their ability to pay, thereby denying them of the opportunity to receive adequate legal representation.
